Subject: Stepping down from LCA Board

Hi All,

I am sending this email to share that I'm stepping down from the LCA board. The last couple months have been very busy at work and with more work travel coming up, I won't be able to do justice to the board duties.

You all have been amazing and it's incredible to see how much impact this group has already had in bringing the community together. I will continue to be an active member of the community and looking forward to seeing you all around!

Please accept my resignation effective today.

Best wishes,

Paresh
